Holy Angels Church Entrance Doors

Dear Fellow Parishioners,

Your donations over the past few years have allowed the Parish to significantly reinvest in its maintenance programs and emergency infrastructure projects, which were not always visible improvements. As a result of having handled most of the major projects, we can now turn our attention to other projects and improvements.

One of the visual needs of the Parish about which we have received some questions is the main entrance doors of Holy Angels Church. These exterior doors are made of wood, and after 9 year of use and weather, are visibly beaten.

Over time, the Parish has plans to replace ten of the exterior doors of Holy Angels Church with durable metal doors that look like the existing wooden doors. The first set of four doors, for the main entrance, will be ordered soon at a cost of \$13,000, which includes reusing the existing handles and hinges. The manufacturer requires a deposit of \$5,000 and once the new doors are ordered, it will take ten to twelve weeks to receive them. The new doors are insulated and will have a significantly longer lifespan than the existing wooden doors.

We are asking for your continued financial support toward purchasing these doors. We have other projects we would also like to accomplish over the next few months; however, when we order these doors, the cost will drain the remaining balance in the Building & Maintenance fund.

If you would like to help us purchase these doors, and are able to make a donation, simply put your donation in a plain white envelope and mark it "Entrance Doors". There are also some envelopes in the Gathering Space. You can drop your envelope in any collection basket. This would be greatly appreciated.

Thank you for your continued support as we invest in our spiritual home.

Fortnight for Freedom

June 21 – July 4, 2013

Bishop Malooly has asked that our Diocese spend 14 days of prayer for the preservation of religious freedom and freedom of conscience in our country. Please use the following prayer over the next few days as we prepare to celebrate the independence of our country.

O God our Creator,

*From your provident hand we have received
our right to life, liberty and the pursuit of happiness.
You have called us as your people and given us
the right and the duty to worship you, the only true God,
and your Son Jesus Christ.
Through the power and working of your Holy Spirit,
you call us to live out our faith in the midst of the world,
bringing the light and the saving truth of the Gospel
to every corner of society.*

*We ask you to bless us
in our vigilance for the gift of religious liberty.
Give us the strength of mind and heart
to readily defend our freedoms when they are threatened,
Give us the courage in making our voice heard
on behalf of the rights of your Church
and the freedom of conscience of all people of faith.*

*Grant, we pray, O heavenly Father,
a clear and united voice to all your sons and daughters
gathered in your church
in this decisive hour in the history of our nation,
so that, with every trial withstood
and every danger overcome –
for the sake of our children, our grandchildren,
and all who come after us –
this great land will always be "one nation, under God,
indivisible, with liberty and justice for all".*

We ask this through Christ our Lord.

Amen.

CURRENT THREATS TO RELIGIOUS LIBERTY

USCCB Fact Sheet

2013

Pope Benedict XVI spoke last year about his worry that religious liberty in the United States is being weakened. He called religious liberty the **“most cherished of American freedoms.”** However, unfortunately, our most cherished freedom is under threat:

- *HHS mandate for sterilization, contraception, and abortion-inducing drugs.* The mandate of the Department of Health and Human Services forces religious institutions to facilitate and/or fund a product contrary to their own moral teaching. Further, the federal government tries to define which religious institutions are “religious enough” to merit protection of their religious liberty.
- *Catholic foster care and adoption services.* Boston, San Francisco, the District of Columbia, and the State of Illinois have driven local Catholic Charities out of the business of providing adoption or foster care services—by revoking their licenses, by ending their government contracts, or both—because those Charities refused to place children with same-sex couples or unmarried opposite-sex couples who cohabit.
- *State immigration laws.* Several states have recently passed laws that forbid what they deem as “harboring” of undocumented immigrants—and what the Church deems Christian charity and pastoral care to these immigrants.
- *Discrimination against small church congregations.* New York City adopted a policy that barred the Bronx Household of Faith and other churches from

renting public schools on weekends for worship services, even though non-religious groups could rent the same schools for many other uses.

Litigation in this case continues.

- *Discrimination against Catholic humanitarian services.* After years of excellent performance by the U.S. Conference of Catholic Bishops’ Migration and Refugee Services (MRS) in administering contract services for victims of human trafficking, the federal government changed its contract specifications to require MRS to provide or refer for contraceptive and abortion services in violation of Catholic teaching.
- *Christian students on campus.* In its over-100-year history, the University of California Hastings College of Law has denied student organization status to only one group, the Christian Legal Society, because it required its leaders to be Christian and to abstain from sexual activity outside of marriage.

Is our most cherished freedom truly under threat?

Yes, Pope Benedict XVI recognized just last year that various attempts to limit the freedom of religion in the U.S. are particularly concerning. The threat to religious freedom is larger than any single case or issue and has its roots in secularism in our culture. The Holy Father has asked for the laity to have courage to counter secularism that would “delegitimize the Church’s participation in public debate about the issues which are determining the future of American society.”

What can you do to ensure the protection of religious freedom at home and abroad?

The U.S. Bishops have called for a Fortnight for Freedom from June 21 to July 4.

Please visit www.fortnight4freedom.org for more information on this important time of prayer, education, and action in support of religious freedom!
