As the Diocese moves forward with the Bishop's Priorities, we also must recognize that the responsibility for healing continues. This week's "Dialog" offers an interview with a Compliance Oversight Committee member, sharing her views on the work of the Diocese and her hope for the future. The purpose of the Oversight Committee is to review the implementation process within parishes, schools and programs of the Diocese for consistent and thorough compliance with the diocesan response to the Charter for Protection of Children: *For the Sake of God's Children*. For more information, visit the Communications Corner website at [www.dioceseofwilmington.steiergroup.net](http://www.dioceseofwilmington.steiergroup.net) featuring a "Responsibility to Healing" section.
